Foreword

Another lap in the great race has been run. Some of us have made great progress, and others have lagged behind; but winning or losing we have all striven to follow the principles of good sportsmanship and to keep our eyes on the goal ahead. We have been ably trained and coached by the faculty, to whom we wish to express our appreciation.

It is our hope that this book may stir the embers of your memory in future years and bring back to you happy recollections of the school year of 1935-'36.

Dear Delores,
Here's hoping
we may have as much
fun in the future as we
have had in the past.

The Prayer of a Sportsman

Dear Lord, in the battle which goes on through life
I ask but a field that is fair,
A chance that is equal with all in the strife,
A courage to strive and to dare.
And if I should win, let it be by the code
With my faith and my honor held high;
And if I should lose, let me stand by the road
And cheer as the winners go by.

And Lord, may my shouts be ungrudging and clear,
A tribute that comes from the heart,
And let me not cherish a snarl or a sneer
Or play any sniveling part;
Let me take off my hat to the warriors who strode
To victory splendid and high;
Yea, teach me to stand by the side of the road
And cheer as the winners go by.

In Appreciation

Our Board of School Trustees is composed of three members: Mr. Clark, who serves as president, Mr. Homan as clerk, and Mr. Warne trustee. The Board meets with the superintendent, Mr. Collins, for regular meetings once a month and as often at other times as is necessary. We realize the many difficulties, worries, and responsibilities that rest on the shoulders of these men, and the staff wishes to take this means of expressing to them the appreciation of the faculty and students for their sincere efforts in behalf of the school and community.

Dear Delores —

I didn't get to know you until toward the last of the term but it's been swell knowing you. I hope you had a good time with that Ritchell guy. Thothen nite.

Wow power to you —

Good luck —

Dedication

To Mr. Woodhead, head custodian of buildings, friend and gentleman, whose quiet, kindly ways, and never failing readiness to help all in every way, have endeared him to all who have come to Chino High School during the past twenty years, the staff wishes to dedicate this number of El Chasqui.

Dear Delores —

I certainly have heard a lot of you and what I have seen of you is certainly in your favor. I hope your high school will be enjoyed to the fullest extent. Make the most of it. I guess I sound like the "voice of experience" talking that way, but I really mean it.

Sincerely,
Shirley.

Dear Historic:

Hello! I'm sorry you didn't have a good time at Lehab party. Oh well. Its all in a lifetime so whats the difference. Next year you'll be a little Freshmen. Then you'll be smarter than ever. Now you go to league now I don't blame you I wouldn't either. He gives me a pain. Well I'll have to stop. Here's wishing you loads success in the future.

The year 1935-36 has been another outstanding school year for Chino High. The energetic cooperation of the student body, the patient waiting for building work to be completed, the improved citizenship and scholarship standards, the increased enrollments, as well as the winning of eight more beautiful trophies (gold, silver, and bronze) in athletics, and in scholarship work all mark progress.

Keep your mind centered on things that bring enduring success----on health---on personality--on growth and on helping others.... Remember, "What gets your attention gets you."

Develop your personality...Personality is more than merely "it"...It includes poise, sincerity, persistance, a good sense of humor, and the ability to make friends...The most indispensable thing in personality is good health....Keep a card record of the things that develop good health for you---and steadily improve your health..

There are no short cuts to success...Keep plugging away steadily and it will come to you...The universities have discovered that for normal folks brilliance of intellect is not as important as stick-to-it-ive-ness, hard work and character.

Smile, and "keep-a-going!!

Cordially yours,

Leonard F. Collins.

Senior Class History

In 1923 a class of thirty-five tots started to kindergarten all extremely curious to know what it was all about. Of that number the following have withstood the stress and strain of twelve years of school and are now graduating in the class of '36: Willard Seitel, Martin Echito Maryetta Cliburn, Thelma Coles, Mary Hoggins, Elsie Peters, Alma Thomas, Mary Willard, Elma Scribner, Chester Echard, Thelma Foster, and Clara Maurer.

Our days at the primary school will be remembered as those spent in learning our phonics and playing on the swings.

We will never forget how we looked forward to crossing the street to the grammar school, but with much disappointment we found one side no different from the other.

The jump from the sixth to the seventh grade was the most exciting change. The girls' skirts had to be longer, and the daring adventure of applying cosmetics was under way. The boys no longer went barefooted, and their hair was stuck down with oils and greases of all kinds.

In our freshman year, thanks to Miss Thornton, we had an evening graduation, a big event in our lives.

Our first year in high school was spent in making a name for ourselves in both scholarship and citizenship. Clubs began to recognize our merits and invite us to join.

Our junior year! What grand times we had. Our rings, the success of our "Junior Revue," and the banquet that we sponsored.

We come to the end of our journey, the senior year. The ditch day, breakfast, lovely banquet, class parties, and our class night will be cherished memories.

The class of 1936 wishes to thank all our teachers, class mothers, and advisers for their help; and although we are going out in the world, good old C. H. S. is our beloved Alma Mater.

Junior Class Officers

The junior class of '37 has had its share of honors, success and good times for eleven years. When they had finished the elementary schools in fine fashion, they were at last ushered into junior high school under Miss Thornton. Here they were getting their preparation to make the fine showing in the next four years of high school.

The class is a peppy and enthusiastic one. The members stick together and cooperate for the good of all. They have shown a fine school and class spirit from the time they first entered Chino High School. The class has taken an exceptional interest in all of the school activities. It is represented in almost all of the organizations and athletic teams.

This year has been a particularly happy and successful one. The junior class has made outstanding scholastic records as shown by the fact that they have more members in the California Scholarship Federation than any other class in the school. The junior rings are very good-looking showing that they have exceedingly good taste. To top all events the Junior-Senior Banquet was a huge success and will always bring back fond memories to both classes.

Much of this success is due to their fine set of class officers and to their helpful class mothers, Mrs. Strona and Mrs. Arnold. The juniors wish to thank their class teachers,Mrs. McHenry and Mr. Dickey, for the help and guidance they have rendered them throughout the year. They will never forget their pleasant junior year.

The juniors have done well in the past, but they are expecting to do greater things in their one remaining year in Chino High School.

Top row: C. Bogue, treasure, A.G. Harris, sargent-at-arms, H. Burton president.

Bottom row: D.. Bird, secretary, S. Haertel, vice-president.

Dearest Deloris.

Well honey we sure have had a lot of good times this year and lots of other ones.

Gee! but we've known each other for a long time, as long as I can remember.

Remember when we used to play house? More f

Gee! but this ~~isn't~~ as hard as writing a page on everybody else's because we've done ~~that~~ lots together.

Well Lory even if we are little 8th graders were just as good as the old sophmore girls. Such as you know.

Gee! Lory but your a swell pal.

Remember at Barbara's gee! Ernestine was sure mad at me.

Lois Andrews sure wish'ed me luck didn't she?

Next Friday the 5th of June, 1936 I hope we can have fun with R.W. & R.W. & ~~not~~ I don't mean Richard Wright-you know who I mean.

I hope we can have that party don't you? We could have fun.

Gee! Lory I love you did you know it?

Remember the nit that everybody said Bill & Jack were drunk? and Barbara got so mad at them that she shouted. Oh my such is life.

I can't wait & listen very well can you?

Barbara is going to be called "gold digger" cause she went to the beach and said she'd never go with him.

Well I had better go to page 53½

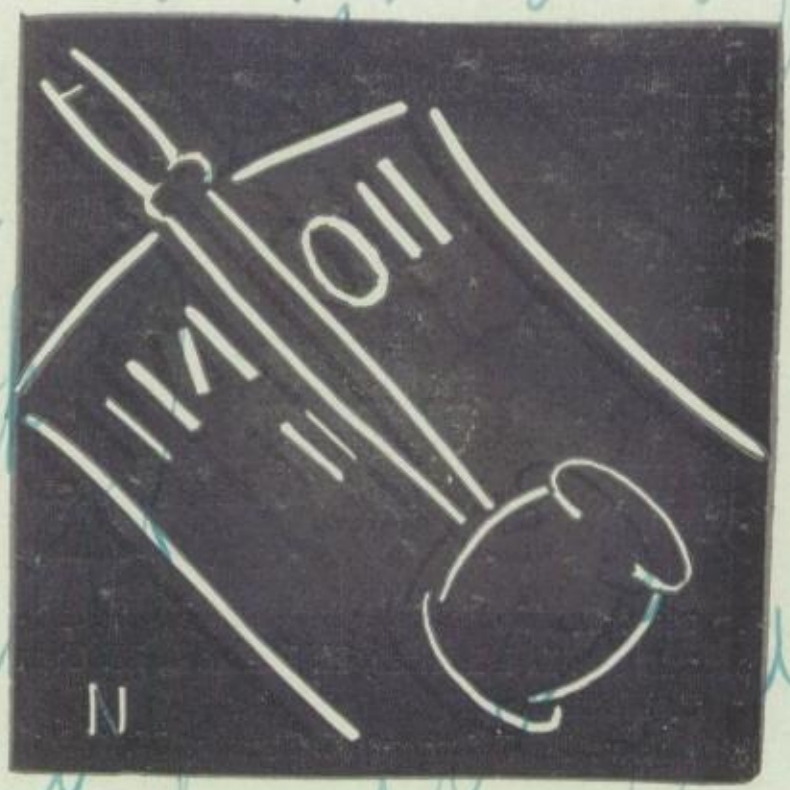
Clubs



C. S. F.

The aim of the honor society is to create a more vital interest in fine scholarship and citizenship. To earn membership a student must have at least ten points, two of these may be made in outside activities, but eight must be made in solids. A great interest in the C. S. F. has been shown this year by the students. In addition to the regular meetings several social affairs are enjoyed each by the members. Mrs. McCrossen was hostess to the group at a theater party held at Padua Hills during the first semester. A snow trip to Big Pines was made in the second semester. The annual excursion, which is the big event of the year, was a trip to the Griffith Park Observatory and Planetarium, which was both enjoyable and educational. This year, in addition to their other activities, C. S. F. members have taken magazine subscriptions. The money from these sales is to be used for something which will be a benefit to the entire school.

The Scholarship Society is under the capable guidance of Mrs. McCrossen and Mr. Dickey. Officers for the first semester were: Pres., Willard Seitel; V. Pres., Muriel Schulz; Sec.-Treas., Britta Anderson. Second semester officers were: Pres., Marion Johnson; first V. Pres., Esther Seitel; second V. Pres., Jeanne Strona; Sec.-Treas., David Purington.

Student Council

The Student Council is an organization which represents the Associated Students of Chino High School. The council consists of the Student Body officers, president of the Girls' League, president of the Boys' Club, four appointed faculty members, the principal, and the presidents of each class from the junior and senior high school. The officers of the Student Body hold corresponding offices in this organization.

The purpose of this organization is to promote in all ways the best interests of the school, to unify all student organizations, to promote the highest type of relationship between the students and faculty, and to develop an appreciation of and loyalty to Chino High School.

The meetings are held regularly every two weeks, and special meetings may be called by the president with the approval of the principal.

Each member of the council did his best at all meetings and represented his class or organization to the best of his ability. Under the able leadership of Wesley Seapy, the president, the organization has accomplished much in making our school more active and to create more school spirit.

The selling of student body tickets, rallies, dances, awards, and other school activites were among the many important issues planned and decided upon by this council in the meetings.

El Chasqui Staff

The El Chasqui staff has done its best this year to turn out a bigger and better book than ever before. Many improvements have been made over the annuals of former years; and now as we turn over the finished product to you, we hope you will enjoy it and be as proud of it as those who had a part in making it.

This year the staff has been headed by Clara Maurer as editor-in-chief, and Mrs. Toste as adviser. They have carried a great deal of the responsibility and to them we owe the real success of the book. As is customary the staff was chosen from the three upper classes and includes: Clara Maurer, Thelma Coles, Genevieve Newman, Muriel Schulz, Dorothy Brockmeier, Constance Kearns, Betty Pollard, Helen Bennett, Esther Seitel, Millred Swank, Mary Curry, Cameron Bogue, Bobby Busch, Edwin Gerwing, Dennis Wood, Pierce Preston, and Frank Pine.

The work was shared by all, assignments being posted and checked off as turned in. Although you may have been unaware of it, the staff has been functioning all year, and only through steady work have they been able to complete the book in time to be printed in our print shop.

Lariat Staff

One of the most practical, as well as interesting, studies offered in the modern high school is journalism. Whether the student intends to make it his profession or not, he will profit by the experience of writing for the school paper. Every educated person should know how to relate facts in a clear and accurate manner. News writing gives one this essential training.

The mastheads of the Lariat carried the names of Edson Parker, who held the responsible position of editor; Lloyd Plummer, assistant editor and author of many fine editorials; Vineta Kerns, reporter of girls' sports; David Purington, who edited the boys' sports page; Gene Newman and Muriel Schulz, writers of numerous feature articles; Wesley Seapy, reporter of club activities; and Ted Collins, columnist. In the print shop, Pierce Preston handled the difficult problems connected with make-up. Wayne Boutell and Bobby Busch ran the linotype. Elbert Johnson and Silas Craig also helped print the paper.

A great deal of the credit for the success of the Lariat should go to the advisers, Mrs. Reed and Mr. Dunn. Without their patient and careful guidance such success would have been impossible.

G. A. A.

The Girls' Athletic Association is composed of girls in high school who have earned 100 points in athletics. Being on a class team entitles one to membership.

The major sports are basketball, hockey, speedball, baseball, and tennis. This year a minor sport, volleyball, has been added. Each of these sports has its manager who has charge of inter-class games.

A girl receives her athletic awards at the end of the school year. These awards are based on the point system. A girl earns 100 points as a member of a class team, 25 points as captain of a class team, and an additional 25 points if she is elected to the all star team. A girl is given a letter when she has earned 350 points. When she has earned 1000 points, she may receive a sport sweater. If a girl earns 150 points after the award of a sweater, she receives a lettter with a gold star on it.

To serve the girls as officers are a president, who is elected in the student body election, a vice-president, and a secretary-treasurer. The officers for this year are: president, Marie Pike, vice-president, Mary Curry, and secretary-treasurer, Marion Johnson.

Hi-Tri

The Hi-Tri has for its purpose the advancement of better social relations among older girls of the high school. Its new members are chosen from the three uper classes by vote of the girls already holding membership in the club. These new members are duly initiated and must commit to memory the slogan, motto, and creed of the organization.

This club meets twice a month. The meetings are held at the school or at the home of one of the members. At these meetings a discussion on some topic of interest to the entire group is held. These discussions deal with subjects such as friendship and the development of a pleasing personality. By studying these things the girls hope to help others with whom they come in contact in daily life.

The Hi-Tri this year has twenty-six girls as members, and two capable advisers, Miss Swanson and Miss Strange. Working together, these lively girls and willing advisers have planned and enjoyed several delightful teas, dinners, and picnics throughout the year.

The officers of the club are: president, Genevieve Newman, vice-president, Jean Brinderson, secretary, Marion Johnson, and treasurer, Corrinne Slaughter.

Hi-Y Club

Under the leadership of Willard Seitel, President; Ogel Cliburn, Vice-president; Frank Westfield, Secretary and Treasurer; Edson Parker, Custodian; and Mr. McHenry, Adviser; the Hi-Y has reached top notch position among the clubs of the school.

Members are chosen from the tenth, eleventh, and twelfth grades. Meetings are held on Monday evenings at the homes of the members. The club program is divided into: character training, social service, and recreation. For recreation the boys take hikes to the mountains and have swimming parties. They also had several dances this year. Discussions held at the regular meetings tend to build up character: they deal with such subjects as courtesy, smoking, kindness, etc. Service to others is accomplished in many ways. The Huntington Beach basketball team, on their trip here for the week-end, were taken care of by the boys of the Hi-Y.

The purpose of the club is to create, maintain, and extend throughout the community a high standard of Christian character. The Hi-Y has exerted a fine, wholesome influence among the students of Chino High School.

Junior Hi-Y

The Junior Hi-Y was started last year by Mr. Hauser for the boys of the seventh, eighth, and ninth grades. The purpose of this club is to aid its members in their mental, spiritual, and physical development.

Meetings are held every two weeks, either at the homes of the members or at the Y.M.C.A.

During the semester the sophomore members remained in the organization and supervised, but junior high officers were elected at the beginning of the second semester. Gene Cummins was chosen president. Other officers are: v. pres., Howard Warne; sec.-treas., Joe Fijiwara; and serg.-at-arms, Karl Johnson. Members for the second semester includes: Gene Cummins, Howard Warne, Joe Fijiwara, Karl Johnson, Don Gross, Tom Fijiwara, Leslie Grant, Laddin Meairs, Ted Tsubio, Morris Dotta, Bobby Stevens, Paul Abbot, Billy Cunningham.

Girls' League Officers

The Girls' League is an organization open to all girls of the ninth, tenth, eleventh, and twelfth grades. Their purpose is to promote the ideals of true womanhood and democracy among the students. Miss Swanson, the Dean of girls, is their adviser. This year the entire organization has cooperated with her and their officers in living up to their purpose.

At the first meeting of the year student speakers emphasized the value of friendship and the influence the Girls' League could have in bettering our school.

Throughout the year there have been numerous other activities which have given both pleasure and inspirition to the girls.

An organization of this type is a real asset to a school. It has done a great deal this year and plans to do even more next year.

Boys' Club Officers

Open to all high school boys who are interested in joining, the Boys' Club is one of the largest organizations in Chino High School. Although attendence is not compulsary, the boys have shown great interest in regularly attending the meetings, which are held once a month.

Enlightening talks on up-to-date subjects by guest speakers, and educational moving pictures make the meetings interesting, and build toward higher ideals and a better understanding among boys. These interesting talks and pictures have been received with much enthusiam by all classes.

The club takes an active part in school affairs and has representatives in the Student Council. The club also maintains a fund to aid injured athletes. This organization parallels the Girls' League in its purpose, creed, and ideals.

Junior Fair

1. The Chino Junior Fair is a small scale livestock, farm mechanics, and home economics exhibition. It is sponsored and managed by the Chino High School Future Farmers as a part of their yearly program. Every opportunity is given for the boys to use their own initative in planning and directing the fair.

2. All students in the high school district are eligible to compete and Future Farmers in other schools are invited to enter their livestock or farm mechanics projects.

3. Prizes in the form of cash or merchandise are offered to winners in the live stock, farm mechanics, and home economics exhibits. These prizes range from $3.00 in cash for first place down to $1.00 in cash for third place. The merchandise offered is approximately equal in value to the cash prizes.

4. A student livestock judging program is held in connection with the Junior Fair. All Future Farmers from Southern California schools are invited to enter. There are poultry, livestock, and dairy judging contests.

5. The Chino Junior Fair offers the junior farmer an opportunity to place his projects in competition with projects owned by others of his own age. By offering a place for good clean competition our Junior Fair inspires every participant to do his best and furnishes a measuring stick of his ability compared with others of his age group.

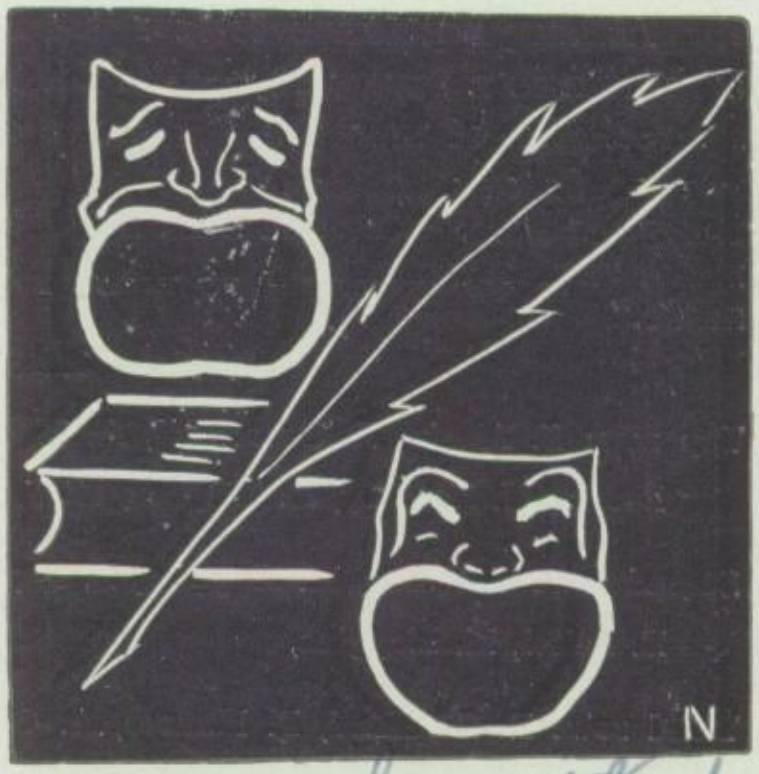
Fine Arts



Orchestra

This year the orchestra, under the capable direction of Mr. Broadwell, has gone a long way toward helping to make the music department a success. They have played not only for assemblies but also supported the Christmas cantata and the operetta and played for numerous outside entertainments. They have an active set of officers this year: Mary Willard, president; Vineta Kerns, vice-president; Esther Seitel, secretary-treasurer; and Dorothy Brockmeier, librarian.

Although perhaps it is not realized and fully appreciated, a good orchestra is a favorable asset to the school which it represents; and the appreciation of music is one of the essentials of a well balanced life. In the words of Charles Kingsley, "Music is a sacred, a divine, a god-like thing, and was given to man by Christ to lift our hearts up to God, and make us feel something of the beauty of God, and all of which God has made."

Mixed Chorus

This year the mixed chorus claims a membership of thirty. Although smaller than previous years, the group has real talent. Mr. Bruington, the new music teacher, has charge of the class and they have accomplished a great deal. Many of the members of this chorus are also members of the voice class which gives them special training.

The mixed chorus is one of the most active organizations in our school. It presents the Christmas cantata and the operetta besides taking part in assembly programs at different times throughout the year. This year the cantata was "The Story of Bethlehem" by William R. Spence. It was presented on December 13. The operetta, "The Lady of the Terrace," was presented as usual, in the spring.

Bovee said, "Music is the fourth want of man--first food, then raiment, then shelter, and then music." The school can honestly say that the Mixed Chorus has done much to fill this need for music.

Operatta

This year's operetta was a charming two-act musical comedy entitled "The Lady of the Terrace". Catchy tunes, beautiful scenery, colorful dances, splendid solo and chorus work combined to make this production a success. Mr. Bruington was the producing director; Mr. Broadwell directed the orchestra; Miss Adams had charge of the dances.

The story concerns Sir Gerald Craughmont (Wilbur Crystal), a young Irish nobleman, who, having inherited the Castle of Craughmont, finds it mortgaged to his uncle, Squire Michael (Edson Parker). Gerald rents the castle to Mr. John Chandler (Martin Echito) of New York City.

The wealthy American arrives with his daughter, Clare (Jean Brinderson), who becomes interested in an old Irish legend. It concerns a former Lady of Craughmont who, during the festivities attending her betrothal, fell and as a result died suddenly. She has been seen since on the terrace on moonlight nights, singing a plaintive melody. Gerald shows Clare the portrait of Lady Mary. She is wearing a jeweled pendant, which has been missing since her death.

At a ball given in honor of the Americans, Clare decides to wear the gown worn by Lady Mary on the night of the accident. During the evening she finds in the folds of the gown, the lost pendant. Squire Michael demands the jewels as payment for the mortgage; but Mr. Chandler, Gerald, and Clare decide to keep the pendant "in the family."

Wholesome comedy is furnished by the two Irish servants (Catherine Irriberri and Seferine Murillo), and by Sir Clarence (Nicholas Kenealy) who takes himself quite seriously and thinks he is deeply in love with Peggy (Lois Warren), Gerald's younger sister. Lady Standford (Mary Willard) lends grace and dignity to the performance. A beautiful melody is sung by the Lady of the Terrace (Elvira Perret).

DEGENERATION OF THE COMIC STRIP

In the good old days, when I was beginning to read the comic strips, they really deserved their name. They were humorous, and each issue was a story in itself. But when "to be continued" was tacked on, they became nothing more than serials. One often finds sad and even tragic events pictured in our "funny papers". It has become a rare thing for a person to laugh while reading them. Almost invariably, the hero is left dangling from a rope in mid-air, with the villain above him, his knife ty-four long hours. In the meantime, both you and the hero suffer agony. poised for the fatal stroke; and they must be left in that position for twen- Or, perhaps, a blood-curdling scream reaches the adventure's ears; and he must remain curdled until the next morning. The characters used to be common, ordinary folks. But now, ape men, lion men, fire eaters, invisible giants, Martians, and cannibals are the subjects of weird tales. The alacrity with which cartoonists can invent scientific instruments to get their heroes out of scrapes is astounding. And however in the world the hero can carry all of his paralysis ray guns, disintegrators, radio sending and receiving apparatus, flying belt, television set, lie detector, telescope, steel armor and his drinking cup, is more than I can understand . Another mystery is how Tarzan of the Apes always manages to arrive just in the nick of time to save the young girl from the blood-thirsty savages. I should like to compile a list of all the lions he has choked, the helpless girls he has rescued, and the cannibals he has slain. Another innovation in the comic strips is the detective story. Smugglers, bootleggers, murderers, and burglers are allowed to be shown in the childern's section of the papers. If there is anything funny about crime, I should like to know what it can be. If these are going to be called comic strips, why can't they live up to the name?

"MOONLIGHT"

Who'd think a thing so common,
As just a moonlight night,
Could be a mystic charmer
And hit you spellbound right.

A moonlight night is better,
Than a castle and a queen,
An inspiration of a maiden,
Of a wife, a home, a dream.

A moon which sends her moonbeams,
In soft blankets o'er the snow
Which makes the night alluring,
To mortals here below.

Now the moon has sailed the horizon,
And has done her duty well,
In the east the sun is rising,
So ol' moon we say "Farewell".

TAKING HIS MEDICINE

One gloomy Thursday morning, as Billy lay in bed and heard the usual "time to get up", he suddenly felt sick, or rather tried to. He was called again and again, but it was no use, for he had to decided to play sick. The reason for this was that he was to have three semester examinations that day.

After much arguing on Bill's part his mother finally consented to his pleas. She told him that he would have to stay in bed all day, which he thought would be all right; but when his mother brought in the Castor oil and Cod-Liver oil, he didn't think so. He soon decided that taking Cod-Liver oil was as bad as any examination ever thought of.

The day dragged by till about two o'clock. At this time Bill couldn't stand staying in bed any longer, so he got up and dressed. But no sooner had he done this than the school nurse's car came up the driveway. Tearing off his shoes and ripping off his clothes, he jumped into bed. When the nurse came in, she acted suspicious; but when she saw the medicine, she said nothing. Bill guessed that she thought that he had got the worst end of the deal after all.

THE MODEL "T"

I know nothing about the mechanical advantages or disadvantages of a car. The part that I do pay attention to is the appearance and the comfort. This is the main reason why I dislike a Model T Ford.

Riding in this type of automobile was always an ordeal even though it was fun watching the other people in it be uncomfortable. The family would first get settled after much groaning of springs. Then there would be a loud whirring and spluttering, and finally the car would start with much chugging and jolting. Then the fun would begin. Perched high on the slippery black leather seats, sliding from one side to the other as the old Ford swayed around the corner, bouncing high in the air every time a bump was gone over, looking far over the heads of the newer cars as they glided smoothly by- - a lovely time was had by all.

There was one comfort, though; there was always enough fresh air when one went riding.

PUBLIC APPEARANCE

A musician's time is not his own. Even the meanest violinist lives in constant fear of being called upon to play in public. Usually the lady with the most winning smile and coaxing manner is delegated to ask if you won't "favor us with a selection?" In a moment of weakness, you melt under her beseeching look and consent to do so.

Then the fun begins. You practice industriously until the number is memorized backwards and forwards. Awakening bright and early on the appointed day, you feel happy and free when you suddenly remember that today is the day. When you practice the piece, things start to go wrong. It worries you, and you begin to dread the coming performance. The time arrives, and you feel faint and nervous. Your hands break out in a cold sweat. It is now your turn to perform. You step upon the platform a bit shakily. Testing your strings lightly with the bow, you find that they are all flat. One peg insists on slipping and another sticks. For what seems to be ages you push at one and tug and pull at the other. At last you are ready. Ah, let's see. What am I to play? The introductory chords of the accompaniment seem to come from a long distance. If you are lucky, the pianist's introduction will be long; but too often it is not. You begin. All of the squeaks and sour notes that you missed in practice are now clearly audible. You hope the audience won't notice the mistakes. After all, what do they know about music? You steal a glance at them out of the corner of your eye. A few of them are whispering; half of them are thinking of other things; and one old man is even dozing. The few that are listening are ignorant enough of music to make you feel self confident. The loud lady who is sitting next to a deaf woman is the only one who is really annoying. Every audience has someone who is. She is usually telling her friend about Johnny's tonsils or her remedy for fallen arches. Before you know it, the piece is ended. Later, while you are imbibing your reward, a cup of tea, the ladies who listened and the ladies who didn't listen and the ladies who whispered and the ladies who listened to them whisper and the deaf one and even the somnolent old man come, one by one, to tell you how much they enjoyed your piece. You smile and shake hands with them, trying hard to think of something different to say to each one of them. You go home, kicking yourself for having ever consented to play; and yet, you know yourself that you'll turn right around and do the same thing over again.

Hello there I am.

I'll bet you thought you were going to get rid of me didn't you? Well I just fooled you!

I sure wish't I could write good.

We sure had fun at marbleello didn't we? ~~th~~ remember to "Dog Bites," swimming, and baby talk. Wilfred sure is a sure kid isn't he. You sure would ever know he is 19 cause he acts just like Bob, + Ch-

I hope he stays here for a ~~long~~ time because he brings life to the party's.

Remember the ~~th~~ scavenger hunt when we went 78 miles an hour. more fun. Billy also is a swell kid even if he is a sucker I wonder when we are going to the beach and go on the rolley coaster.

Remember when Richard Lawn was choked on a piece of cake? and Dennis + I couldn't find you and Richard? I still don't know where you were. Do you remember what Heidi and Sonny said gee! but they sure are dirty.

Did you see my picture on the other side? the great big tennis champ. (someday I hope to be)

Excuse the different colored ink.

Did you read what Bob wrote in mine? was I ever thrilled.

Oh' dear! well - well - well - well I am getting almost out of words. Two pages is just also for one persons. But I guess you worth it.

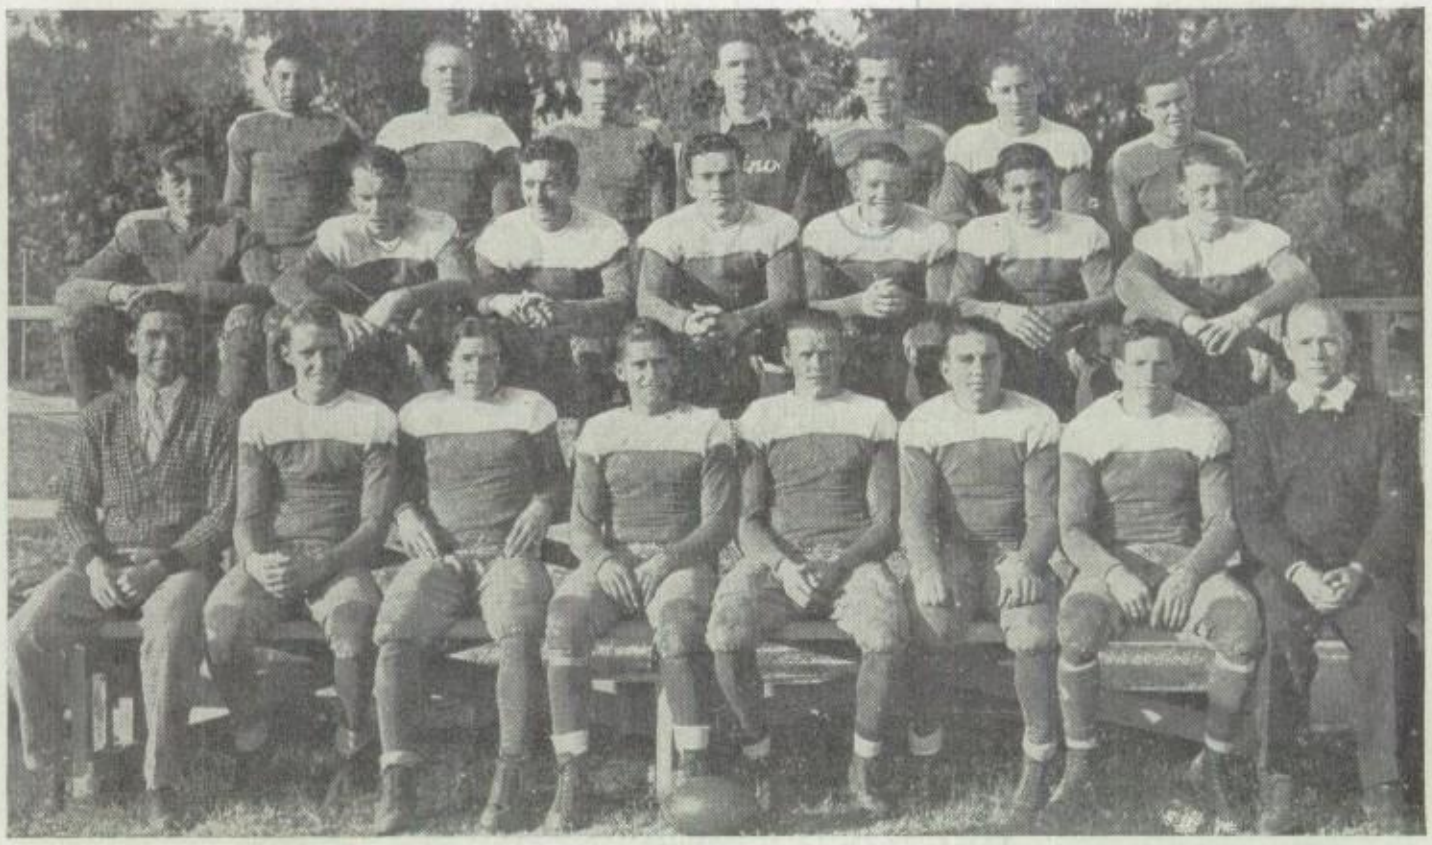
Boys' Sports



Varsity Football

Although our heavyweight football team failed to bring home a championship trophy, the season was a decided success; success depends upon more than the large end of the score. Every game that the team played was clean and full of spectacular playing. Aside from this, we beat Bonita 13-7, which spells success no matter what other games we lose. We also defeated Corona 20-0, Downey 20-14, Citrus 20-17, and Puente 13-0. The games we lost were with Colton 6-0, and also Claremont 13-6, who were the league winners this season.

Coach Brooks, assisted by Wayne Hauser, developed a fast team. With Seapy, Brawley, Harrison, and Cliburn, in the backfield there was plenty of forward passing and long runs; English as captain made a reliable end; Crystal, a veteran center, was the backbone of the line. Wright and Belardes were fastends. Kitchell, Parker, and Whitney did excellent work at tackles while Echito and Brinkman performed as veterans at the guard positions.

The A Football Lettermen are: Brawley, Brubaker, Brinkman, Cliburn, Crystal, English, Capt., Echito, Harrison, Jones, Kitchell, Seapy, Whitney, Parker, Wright, Safford, Mannager.

Lightweight Football

When the call sounded for lightweight football men, Coach Dickey was fronted by some thirty men. Among these were very few quitters. They stayed with it to the end of the season and developed into a great team.

The scrappy Cowkids opened up against Colton, who played true to their old form, and a hard fought game ended in a scoreless tie.

Puente and Claremont were downed in their tracks by charging linesmen and hard running backs.

Then came Citrus, also an undefeated team. The Citrus boys lead the Cowkids in the first half seven to six. An even harder hitting bunch of Chino boys went into the second half seeing red. Well, it was game--Just like the movies--in which Silva ran sixty-five yards to a touch-down in the last five seconds to play.

Ending the league, the Cowkids took Downey to the cleaners.

Thus, under the most able coaching of Levi Dickey, and our brainy, brawney Captain Heartel, the lightweights won another co-championship trophy with Colton.

The lettermen are: Smith, Preston, Printy, Abbot, Allen, Wood, Hoffman Zillman, Silva, Cummings, Tsuboi, Soloman, Torres, Curry, Kerr, and Captain Haertel.

Pee Wee Football

Our "C" and "D" teams did right well for young whippersnappers and put old C. H. S. back where it belongs--on the map.

The "C" weights even went so far as to tie for a championship. And here's how.

The first game was won from Webb 7-0 in which Chino outplayed them. In the next game we were caught napping just once--and lost, 6-0. This was in the first half; however, in the second half we held them scoreless. The boys got kinda mad the next game and walloped Fremont 35-0. Capt. Johnny Strona, the Big Eye-talian, was the hero. The next game was a tough one. But we pulled thru, defeating Emerson 6-0 in the last 30 seconds of play with an intercepted pass, by Marcie Morales. Chino walloped Republic in the last game 6-0. We tried to get a playoff with Voorhis since we were in first place tie with them; but Voorhis neglected to drop around and so that's that.

The "D" team didn't do quite so well losing 2 games and tieing 1. In the first game they tied Emerson Junior High School 0-0. In the second Freemont Junior High School beat them 26-0, and Voorhis did likewise in the third game.

Although the little fellows were small on weight, they made up for it in the size of their fight. They deserve our praises.

Baseball

This year coach Jacobs has organized two baseball teams. The varsity is made up of players who have had experience; the junior varsity is composed of junior high boys and those who because of lack of experience didn't make the varsity.

Numerous practice games were played before the league season opened giving the teams ample opportunity to get into good shape. The league was to open on April 24 and continue for the next six weeks. The first game was to be with Colton and the last with Bonita. Due to the late season the results of these games cannot be recorded here.

The varsity team was composed of: Seferine Murillo, Maurice Ayala Robert Alcala, Alfred Brawley, Alfred Garcia, Vincent Erotta, Sidney Woolen, A.G. Harris, Sabino Alcala, Paul Taylor, Jack Solomon, Fred Abbot, Silas Craig, Richard Whitney, Don Clark, Joe Silva, and Bob Wagner. The junior varsity included: Harold Smith, Robert Constantine, Reggie Martinez. Miles Miller, Bob Allen, Charles Daniels, Marcie Morales, George Cesneio, Rafael Garcia, Millard Allen,Harland Smith, and Bob Hood.

"A" Weight Basketball

We had, as usual, a successful season, winning the Huntington Beach Tournament, and the La Verne Tournament before the league even started. But we failed to win the Puente and League Tournaments and what is more, failed to win the league championship. However, we were victor in the majority of our games, and have two trophies for the year's work.

In the Huntington Beach Tournament we beat Bonita in the final game 33-32. In the La Verne Tourney we beat Puente 38-24 for the championship. In the Puente Tournament, however, we were pushed out early in the play-offs by Claremont, 24-32.

After a great many preliminary games the league opened on January 10. In the first league combat we trampled Corona 38-23. In the second game we plastered Colton 33-21. Then something happened; the Puente Warriors trimmed us in a hard, close fought game 31-29. In the Claremont down the line 31-21 in our first game in which we played without Crystal. Citrus next fell before our onrush, and the momentum also knocked over Downey. The scores 35-24 and 31-21 respectively. Then we met those grim-faced Bearcats in the game that was to decide the league championship---and lost 26-19. It seemed incredible, but, somehow that league championship had slipped through our fingers.

"B" Weight Basketball

Mr. Brooks and his "B" weights added a handsome trophy to our collection, as a result of their success this season.

We had a close shave with Corona, defeating them by only one point-22-21. Chino then trounced Colton 22-13. The Cement-Mixers didn't have a chance. We then ran into Puente and lost to a superior team, 26-10. Undaunted we took Claremont into camp 30-13. Citrus then took us unawares and defeated us by a score of 31-23. They really were a classy outfit. Chino, however bombarder Downey 18-7. Then we had the sweetest victory of the whole season, trimming Bonita 24-7. In this game, not a single field goal was scored by the opponents; and when the smoke of battle had cleared away, we found a co-championship cup awaiting us.

"C" Weight Basketball

The C weights had a good team and a good season, but for some reason they didn't seem to come home with the big end of the scores. Although most of the scores show the enemies were victors, our boys played good basketball and made the games exciting. At a most critical time Robert Constantine would make one of his famous long shots and put the bleachers in an uproar. Joe Fujiwari was the team's fastest man. After working hard and fast, Billy Curry came out on top as highest scorer.

At the beginning of the season, when coach Hauser was organizing the team a captain was to be chosen. Gene Cummins and Billy Curry were up for the position. Two votes were taken by the team, but each resulted in a tie, so the coach decided to let Billy and Gene work together as co-captains. They have been cooperative and have filled the position well. The team did very well considering the amount of practise they received. They worked hard every night on the dirt court in all kinds of weather. These boys will furnish excellent material for our future teams.

"D" Weight Basketball

The Chino D weights worked hard and fought their way to a very successful season. With their able coach, Mr. Carter, they played good basketball and made a good showing for Chino High School in all their games.

The boys certainly had all the ambition necessary for a winning team; handicaps were mere trifles to them. Although Coach Brooks and Coach Dickey made use of the gymnasium every afternoon, it did not discourage them; and they were bound to get some good, hard practise. So every morning the boys gathered at the gym to practice from 7 to 8 o'clock.

They started the league games with lots of fight and pep. In the first game they captured Corona with a score of 12 to 6. Colton was also easily defeated with a score of 28 to 8. But when it came to Puente and Citrus, it meant hard work. Our boys were not able to take these games, but the scores were very close: Puente 12, Chino 10; Citrus 13, Chino 11. They also were victors over the Downey, Bonita, and Claremont teams with the following scores: Downey 6, Chino 24; Bonita 11, Chino 12; and Claremont 10, Chino 13.

The boys on this team proved their abilty to play basketball, and no doubt we shall see them on varsity teams in future years.

Track

Many outstanding performances contributed to the success of the track season. The "A" and "X" teams had four dual meets with Puente, Citrus, Downey, and Claremont.

In the league meets we came in third and fourth places in the "X" and "A" divisions respectively. Each squad made 14 points. Individual performances of acclaim were Seapy, winning the high hurdles, Harrison, placing second in the 100 yard dash. Sonny Haertel tied for second place in the shot put for the "X" weights while Manual Cortez won the 660 yd. run in the excellent time of 1:32; he may enter the big Southern California meet. Sidney Woolen also placed in the pole vault. Seapy won third place in the high hurdles at the Chaffey invitational, and Manuel Cortez and Maurice Ayala won second in the 880 yard run and 70 yard high hurdles respectively.

Varsity Tennis

The tennis season is just hitting its stride at this writing; the league matches have not been played yet, so instead of recording the games, we'll talk about players.

The senior hi tennis team is composed of the following cowboys: first singles, Martin Echito; second singles Fred Lewelling; third singles, Bill Curry; first doubles, Edson Parker and Dave Purington; second doubles, Sef Murillo and Harold Burton. The fourth singles spot is being valiantly contested by Grant, Shultz, Warne, Galbreath, Grier, and Helsley.

Mr. Hauser is coach for the varsity tennis team. Judging by the increased number of spectators at the games, tennis will soon claim as much interest as football in Chino high.

Junior High Tennis

The junior high tennis team is playing a regular schedule this year. The team is made up of first singles, Howard Warne; second singles, Elmer Jertberg; and third singles, Jack Welch; first doubles, Don Gross and Laddin Meairs; second doubles, Leo Fletcher and Orvis Wells. Fighting for fourth singles are Parker, Ayres, Hoggins, and Docker.

Mr. Hauser is coach for the junior high tennis team. This juninor high team is undefeated at his writing; we may have an array of cups won in this sport by the end of the season.

Girls' Sports

Girls' Tennis

Tennis had a bigger turn-out this year than at any previous time. Much interest and enthusiam was shown for this sport, and the girls displayed a willingness for hard practice that argued well for the chances of the team.

Interclass games were played, and after some closely-contested matches the seniors were again triumphant. To the winners of interclass went the privilege of playing the faculty, and it was here that the seniors met defeat.

The team was composed mostly of seniors so there will be a big gap to fill next year. There are several promising underclassmen, though. to take their place.

Because of a new system of challenge matches, whereby the winner takes the loser's higher position on the team, the line-up was not always the same; but for the most part it was as follows:

1st singles - - Mary Curry 2nd singles - - Elma Scribner
3rd singles - Margaret Hoggins 4th singles - - Gene Newman
1st doubles - - - - - - - - Gerry Kearns and Marian Johnson
2nd doubles - - - - - Britta Anderson and Virginia Arnold

Other members of the team were; Edna Fletcher, Marie Pike, Barbara Coles, and Adele Burton.

Top Row: E. Scribner, E. Fletcher, Miss Strange, M. Curry, B. Anderson.

Bottom Row: M. Johnson, V. Arnold, G. Kearns, A. Burton, M. Hoggins, B. Coles.

Girls' Basketball

Girls' basketball had an exceptionally enthusiastic turnout this year. Some very good teams were formed as the result of the persevering efforts of the girls. Much credit is also due the coach, Miss Strange. The seniors were the final winners of the interclass games.

Basketball play-day was held at Colton in their new gym on January 7. The seniors won from Puente 35-7, the juniors from Claremont 20-10, and the sophomores from Puente 25-5. The little freshmen were just too short and lost to Colton 16-22.

Play-day was made even more interesting by skits put on by each school participating in the games. Also there was a posture parade in which our sophomores took first place.

Besides the regular basketball schedule, the senior team was hostess to the San Bernardino team. In the resulting game, Chino proved the better by winning 39-7.

We had some very good captains this year. The senior captain was Marie Pike; junior, Gertrude Swift; sophomore, Jean Bogue; freshmen, Violet English. The basketball manager was Ellen English.

—o—

Top row: M. Curry, R. Burger, Miss Strange, G. Swift, M. Hoggins.

Bottom row: V. Fletcher, D. Naylor, T. Foster, M. Pike, E. Fletcher, E. English.

Girls' Volleyball

After a long absence from the regular list of girls' sports for Chino, volleyball has come back into popularity. Each year it has been started but dropped because so little interest was taken in it. This year, however, much enthusiasm was shown when the girls found what good fun it really is. Thanks to Miss Strange, volleyball will probably continue to be played here.

The volleyball teams were not so successful at play-day held at Bonita. The sophomores were the only ones to bring home winning ribbons.

During interclass games there was much excitement. The seniors proved their superiority and were named the victors.

Captains for the class teams were: Catherine Iriberri, senior; Margaret Hoggins, junior; Phyllis Cooke, sophomore; Marybelle Grimes, freshman. Leona Atkins was the volleyball manager.

Girls' Speedball

Speedball is a comparatively new game, but it is rapidly growing in popularity. It is a combination of basketball and hockey. New rules have been made whereby the players may pass the ball more than three times. This encourages the passing which is so fundamental in basketball. Then, too, for a "held ball" the tip-off is used as in basketball. The formation and technique are the same as in hockey. This game has taken the best from these two sports to make an exciting and yet not too rough game for girls.

Interclass games were played with the seniors again winners. The juniors ran them a close contest, though. The seniors have certainly made a record, winning interclass basketball, hockey, speedball, and tennis.

Play-day was held at Chino. Only one game was lost by the girls and that was the junior game. It was only after a hard battle that the juniors acknowledged defeat, though.

The captains of the teams were: Elsie Peters, senior; Bernice Caballero, junior; Ernestine Cliburn, sophomore; Barbara Coles and Geraldine Hendriks, freshman. Lena Atkins was hockey manager.

Girls' Hockey

A great deal of interest was taken in hockey this year by the girls. There was a strong spirit of competition throughout that had each team striving to be better than the other; consequently there were some very good teams. Some exciting games were played in the interclass schedule, each class determined to win. The junior and senior teams were finally victorious. The deciding game was awaited with much interest; but because of rainy weather and other interferences, this match had to be indefinitely postponed, much to the girls' disappointment.

Play-day was held at Bonita on February 7. The seniors won a hard-fought game from Bonita, 3-1. The sophomores lost to Bonita, 1-2 as did the juniors, 3-4. The freshmen lost to Colton, 0-2.

The captains were Elsie Peters, senior; Leona Atkins, junior; Virginia Fletcher, sophomore; Evelyn Zans, freshman. Edna Fletcher deserves special credit for her work as hockey manager.

Campus Life

Calendar

Sept. 9—Today Chino High School after three months' vacation opened its doors to more students than ever before in its history. There is a little inconvenience due to the construction program, but our optimistic teachers tell us we will be in the new building by Thanksgiving or certainly not later than Christmas. Students and teachers alike are looking forward to a year of improvement and good times.

Oct. 11—A lovely dance was given to the juniors by the seniors. This social affair took the place of the color fight.

Oct. 18—Chino was defeated by Colton in the opening game of football. Anticipations are high, and good sportsmanship marks the beginning of the league football games.

Oct. 23—There is some good in those hateful windstorms, for the one today brought a holiday to everyone except the janitors.

Nov. 15—The juniors' ring fingers seem very prominent, for those long-wanted rings have arrived. There is something the matter with any one who doesn't like the rings this year.

Nov. 22—Football season ended with a fine victory over Downey. The heavyweights were defeated only by Colton and Claremont. The Dickeybirds suffered no defeats.

Calendar

Nov. 28—For the last few days all one hears is turkey. Has that European country gotten into a war, or has that well-known bird become our national emblem? No, Thanksgiving is here, and it is bringing a vacation. We come back to school on Dec. 2.

Nov. 29—Mr. Jacobs's science classes enjoyed a trip to the Griffith Observatory and to Exhibition Park today. We could see the moon and stars in the daytime at the Planetarium.

Dec. 6—Mrs. Toste and her eleventh grade English classes put on a very entertaining assembly today. Some of our love birds around school appreciated the information on the technique of kissing furnished them by the clever little play.

Dec. 13—Friday the thirteenth was a lucky day for all those who attended the Christmas concert. Through the combined efforts of Mr. Broadwell and Mr. Bruington, a program of great beauty was presented. The carols, orchestral numbers, solos, and the Cantata, "Little Town of Bethlehem," were enjoyed by everyone.

Dec. 21—School lets out today for a much-welcomed Christmas vacation. We come back next year on Jan. 6

Jan. 6—Our parents got little pink slips today with our grades on them. The school will always find a way to let mother know the grades even if Johnny doesn't take his report card home.

Calendar

Jan. 10—In assembly this morning Mr. Dickey told us just how basketball is played. Maybe he has been teaching his team to play too, for we won a good game over Corona in the first league game of the season.

Jan. 24—The tests are flying thick and fast as the semester ends today.

Jan. 31—Orations on the constitution were given in assembly with Clara Maurer coming out first. We certainly have an outstanding group of orators.

Feb. 6—After waiting for the weather man to bring snow for many a moon, a jolly bunch of seniors finally left for a ditch day of spills and thrills. Certain snapshots in this book will prove that the juniors had plenty of fun too.

Feb. 21—Clara Maurer won third place with her oration at the district finals at Colton.

The heavyweights lost their basketball game to Bonita in the last league game of the season. The B weights won their game making a four team tie in the league.

Feb. 22—The junior class and the C. S. F. enjoyed a party at Big Pines. Following a break down some of the juniors used their thumbs to advantage, while the luckless ones used their legs.

Feb. 28—Our mid-semester warning grades that were given out today were green this time.

Calendar

March 13—Another Friday the thirteenth and another good program. This time it was the moving picture, "The Count of Monte Cristo," taken from Alexander Dumas's famous novel. This picture was sponsored by the junior class to raise money for the banquet.

April 1—April Fool's day, and the teachers were the victims. They were kept busy going to teachers' meeting, answering telephone calls, and receiving mysterious messages.

April 3—The juniors sponsored another movie telling of the romance of Robert and Elizabeth Browning, "The Barretts of Wimpole Street."

We have our spring vacation this next week, so that we can have plenty of time to choose our Easter bonnets.

May 8—The operetta "The Lady of the Terrace" was given tonight to an appreciative audience. Catchy tunes, beautiful scenery, good acting and singing, made this operetta a great success.

May 15—A clever, new, and novel class night was given tonight by the seniors.

May 29—Tonight is the surpreme moment for all good juniors and seniors. It is that long waited for junior-senior banquet. A delicious dinner, beautiful decorations, and good music made it a never-to-be-forgotten event.

June 4—Caps and gowns, slow music, speeches, and diplomas. Farewell, seniors! Bon voyage.

Dear Dolores:

Because you come to league this summer because we probably will have lots more fun:—I hope. You had better watch out because Lena H. is going strong for Richard. Come back next year if you don't crack.

Acknowledgment

The El Chasqui staff wishes to acknowledge the cooperation and help of Mrs. McHenry, art instructor, and Mr. Dunn, printing instructor, who have worked along with the staff and their adviser, Mrs. Toste, in making this annual possible. We also wish to thank Mr. Fred Smith of the Los Angeles Engraving Company, who so willingly gave of his time in helping to plan the book; and Mr. John Mee who is responsible for all the fine photography.
